

Vello Line

*Unleash your hair's
strength and unlock its
full growth potential.*

*The **Ybera Paris Vello Line** is an innovative hair treatment that combines science, technology, and biomimetics. Inspired by the key nutrients found in breast milk, its advanced formula promotes faster hair growth safely and effectively, with visible results in just 8 weeks, as confirmed by tests. Using an exclusive Hair Fertilization treatment plan, Vello strengthens the scalp, enhances hair root immunity, improves strand density, and increases strength and resilience.*

MAIN TECHNOLOGY

ALFA-LACTOBABY® is a groundbreaking scientific innovation inspired by breast milk designed to bring its nurturing benefits for newborns to haircare. This biomimetic employs amino acids, proteins, vitamins, mineral salts, and other essential nutrients to nourish the scalp, strengthen the strands, improve hair texture, and promote accelerated hair growth. Its effects go beyond simple nourishment—it also boosts scalp immunity, creating a healthier and more favorable environment for hair growth. It helps reduce hair fall and strengthen the strands while stimulating cell renewal and scalp regeneration—essential for healthy hair growth. Studies and clinical tests have proven the effectiveness of this technology, showing that it can visibly and consistently accelerate hair growth with long-lasting results.

Recommended: To boost hair growth and strength.

• ALFA-LACTOBABY® PRE-CLEANSE

Alfa-Lactobaby® Pre-Cleanse is an innovative treatment designed to initiate Hair Fertilization, delivering deep cleansing and scalp balance. Its formula, enriched with a biomimetic complex inspired by breast milk, provides gentle micro-exfoliation without causing damage or dryness. This process effectively removes accumulated residue from the scalp, creating the perfect foundation for subsequent treatments and enhancing their effectiveness.

Benefits

- ✓ Removes dead cells, excess oil, and impurities, promoting a clean and balanced scalp.
- ✓ Soothes and reduces scalp sensitivity, providing comfort and balance.
- ✓ Supports scalp health by improving oxygenation and nutrient absorption.
- ✓ Enhances the effectiveness of subsequent treatments by optimizing ingredient absorption from the Vello Line.
- ✓ Aids in healing and drying out wounds and scalp acne.
- ✓ Stimulates blood circulation while refreshing the scalp.
- ✓ Cleanses without drying out the strands.
- ✓ Free from parabens, petrolatum, sulfates, and silicones.

Exclusive Ingredients

Alfa-Lactobaby®: Stimulates hair growth, strengthens and revitalizes the roots, enhances resilience, nourishes, and adds shine. Boosts immunity in the hair bulb, promoting a healthier scalp.

Panthenol, Pelvetia Canaliculata Extract & Laminaria Digitata Extract: Provides deep, long-lasting hydration. Strengthens hair strands, improving their resistance. Offers antioxidant protection and promotes hair growth.

Panax Ginseng Root Extract & Taurine: Stimulates hair growth. Strengthens and deeply hydrates hair strands.

Arginine, Apple Extract & Ginger: Promotes hair growth while intensely nourishing and revitalizing. Provides anti-aging and antioxidant protection.

Mint Extract: Stimulates hair growth. Offers a refreshing and soothing sensation. Controls oiliness and reduces dandruff.

Menthol: Dilates blood vessels, improving circulation. Relieves itching. Provides a refreshing and calming effect.

Spanish Rosemary Essential Oil: Fights dandruff and scalp infections. Offers antioxidant properties and protects against damage.

Salicylic Acid: Exfoliates the scalp to remove buildup. Controls oiliness and combats dandruff. Reduces itching and irritation.

Neurosensory Soothing Complex: Calms scalp irritations and relieves itching.

Coconut Milk: Deeply hydrates and locks in moisture. Combats dryness, strengthens hair, and restores balance.

Mode of Use: Apply on the scalp, massaging it gently to provide a deep exfoliation. Leave it on for 3 to 5 minutes, rinse and repeat as needed. For better results, we recommend using it twice a week.

pH: Between 5.0 and 6.5.

Available size:  250ml

• ALFA-LACTOBABY® SHAMPOO

Alfa-Lactobaby® Shampoo is a groundbreaking innovation in hair care, designed to stimulate healthy hair growth from the root. Inspired by the biomimicry of breast milk, its high-quality formula replicates essential nutrients that enhance hair vitality. This shampoo contains powerful ingredients that facilitate cell communication within the scalp, promoting the production of new hair cells. As a result, it creates the ideal environment for new strand growth, increasing hair density and overall health.

Benefits

- ✓ Stimulates hair growth by strengthening the follicles.
- ✓ Reduces hair fall and prevents strand weakening.
- ✓ Improves scalp elasticity for enhanced resilience and flexibility.
- ✓ Protects against damage with antioxidant and dermoprotective properties.
- ✓ Free from parabens, petrolatum, sulfates, and silicones.

• ALFA-LACTOBABY® COLOSTRUM

Alfa-Lactobaby® is an innovative hair supplement inspired by the biomimetic of breast milk. In other words, it replicates the benefits of colostrum to strengthen both the scalp and hair strands. Its primary function is to stimulate the scalp's natural defense system, creating an optimal environment for hair growth while activating dormant follicles to encourage new strand development. Additionally, it reinforces scalp cells against external aggressors such as pollution, UV radiation, temperature fluctuations, chemical treatments, and oxidative stress—factors that can weaken follicles and hinder hair regrowth. With its protective and strengthening properties, Alfa-Lactobaby Colostrum supports healthy, continuous hair growth, leaving hair softer, stronger, and more resilient.

Benefits

- ✓ Stimulates circulation in the scalp, promoting faster, healthier hair growth.
- ✓ Strengthens the scalp's natural defenses against external aggressors.
- ✓ Nourishes and fortifies the roots, making strands healthier and more resilient.
- ✓ Reduces hair fall by reinforcing strength from the root.
- ✓ Enhances shine, volume, and overall vitality.
- ✓ Boosts hair immunity.
- ✓ Free from parabens and petrolatum.
- ✓ Sulfate-free.

Exclusive Ingredients

Alfa-Lactobaby®: Stimulates hair growth, strengthens and revitalizes the roots, enhances resilience, nourishes, and adds shine. It also boosts immunity in the hair bulb, promoting a healthier scalp.

Panthenol & Pelvetia Extract: Encourages hair growth, strengthens strands, provides antioxidant protection, soothes the scalp, restores elasticity, and enhances shine.

Biotin: Strengthens hair strands, reduces hair fall, improves thickness, and supports overall scalp health.

Panax Ginseng Root Extract & Taurine: Stimulate hair growth, reinforce strand strength, and deliver deep hydration.

Arginine & Apple Extract: Promote healthy hair growth, fortify the hair fiber, and enhance density and vitality.

Mint Extract: Stimulates hair growth, provides a refreshing and soothing sensation, controls oiliness, and reduces dandruff.

Vitamin E: Offers antioxidant benefits, deeply hydrates, strengthens hair strands, and improves scalp health.

Lime Extract: Delivers antioxidant properties, regulates oil production, and has antiseptic and purifying effects.

Coconut Milk: Intensely hydrates, nourishes, and repairs hair while enhancing shine, softness, and frizz control, with added antioxidant benefits.

Peppermint: Refreshes and soothes the scalp, controls oiliness, has antiseptic properties, and enhances shine and vitality.

Strengthening Complex (Urea, Hydrolyzed Corn Protein, Vitamin B5, Vitamin B2, Guar Hydroxypropyltrimonium Chloride, Acetamide MEA, L-Histidine, L-Arginine, L-Lysine, Cyclotetrasiloxane, Water): Strengthens the hair structure, repairs damage, stimulates growth, and protects against environmental stressors.

Mode of use: Apply to a wet scalp and massage until a lather forms. Leave on for 3-5 minutes, then rinse thoroughly. Repeat as needed. Suitable for daily use.

pH: Between 6.0 and 7.0.

Available size:  250ml

• ALFA-LACTOBABY® MASK

The Alfa-Lactobaby® Mask is designed to complement hair fertilization, ensuring a comprehensive treatment. Its dual-action formula benefits both the scalp and the strands, creating the ideal environment for hair growth while preserving hydration and maintaining the health of the hair fiber. Unlike other hair growth treatments that may cause dryness, the Alfa-Lactobaby Mask maintains balance between the scalp and hair lengths, allowing for effective treatment without compromise. The result is strong, nourished hair that feels silky to the touch while preserving scalp health.

Benefits

- ✓ Strengthens strands, making them thicker and more resilient while reducing breakage.
- ✓ Provides deep hydration and softness.
- ✓ Delivers intense nourishment.
- ✓ Enhances shine for a glossy, healthy appearance.
- ✓ Free from parabens and petrolatum.
- ✓ Sulfate-free.

Exclusive Ingredients

Alfa-Lactobaby®: Stimulates hair growth, strengthens and revitalizes the roots, enhances resistance, nourishes, and adds shine. It also boosts immunity in the hair bulb, promoting a healthier scalp.

Milk Protein: Provides deep hydration, strengthens the hair structure, improves elasticity, and repairs damaged strands.

Vitamin E: Offers antioxidant properties, deeply hydrates, strengthens strands, and improves scalp health.

Lime Extract: Acts as an antioxidant, regulates oiliness, and provides antiseptic and purifying benefits.

Inca Oil: Delivers deep hydration, controls frizz, stimulates hair growth, and protects against external damage.

Amino Acid Blend: Strengthens the hair structure, repairs damage, stimulates growth, and shields against environmental stressors.

Strengthening Complex: (Urea, Hydrolyzed Corn Protein, Vitamin B5, Vitamin B2, Guar Hydroxypropyltrimonium Chloride, Acetamide MEA, L-Histidine, L-Arginine, L-Lysine, Cyclotetrasiloxane, Water) Strengthens the hair structure, repairs damaged strands, stimulates growth, and protects against environmental damage.

Lactic Acid: Balances pH, controls frizz, strengthens, and repairs strands.

Sericin Nanoparticles: Improve hair texture, repair and strengthen strands, and protect against external aggressors such as pollution, UV rays, and heat damage.

Mode of use:

As a Deep Treatment - Tilt your head to the side and apply the mask from the ends to the roots. Gather your hair up and allow it to absorb for 10 minutes. Rinse thoroughly. Recommended use: once a week.

As a Conditioner - For a light and quick conditioning treatment, apply a small amount to the hair, gently massage, and rinse immediately. Ideal for daily use.

pH: Between 3.0 and 5.0.

Available size:  200g  500g

★ ALFA-LACTOBABY® VITAL SERUM

Dermatologically Tested

The Alfa-Lactobaby® Vital Serum represents a breakthrough in hair growth treatments. Developed with high-performance biomimetic technology, its fast-absorbing formula works directly at the root, strengthening the scalp and creating the ideal environment for new hair to sprout. Recommended for cases of baldness and alopecia, this advanced serum revitalizes hair follicles and combats strand weakening, promoting healthy and consistent growth. Designed for daily use, it delivers visible, long-lasting results, ensuring stronger, healthier, and denser hair.

Benefits

- ✓ Stimulates accelerated hair growth, strengthening strands from the root.
- ✓ Boosts scalp immunity, helping to prevent hair loss.
- ✓ Activates hair follicles, aiding in the treatment of baldness and alopecia.
- ✓ Deeply nourishes and strengthens strands, making them healthier and more resilient.
- ✓ Absorbs quickly, leaving no residue or oiliness.
- ✓ Free from animal-derived ingredients.
- ✓ Paraben- and petrolatum-free.
- ✓ Sulfate-free.

Exclusive Ingredients

Alfa-Lactobaby®: Stimulates hair growth, strengthens and revitalizes the roots, enhances resistance, nourishes, and adds shine. It also boosts immunity in the hair bulb, promoting a healthier scalp.

Hair Strengtheners: Improves elasticity, controls frizz, stimulates hair growth, and strengthens and protects the strands.

Hair Stimulator: Revitalizes, strengthens, reduces hair fall, and stimulates strand growth.

5-ALFA Inhibitor: Improves scalp health, strengthens strands, prevents hair fall, and promotes growth.

PhytoCellTec Malus Domestica: Enhances scalp vitality, protects against hair aging, stimulates growth, and strengthens strands.

Peppermint: Refreshes, soothes, controls oiliness, provides antiseptic properties, and enhances shine and vitality.

Multifunctional Zinc: Regulates oil production, reduces hair fall, and protects against damage from free radicals, pollution, and UV rays, preventing premature hair aging.

Arginine & Maca Extract: Stimulates hair growth, strengthens strands, and helps prevent premature aging.

Mode of use: Spray directly onto the scalp and massage until fully absorbed. No rinsing needed. For daily use.

pH: Between 3.0 and 5.0.

Available Size:  90ml

Hair Fertilization Treatment Plan: Accelerated growth with 98.3% scientifically proven effectiveness.

What to Expect from the Hair Fertilization Treatment Plan:

- ✓ Accelerated hair growth in just 8 weeks.
- ✓ Strengthened scalp and enhanced root immunity.
- ✓ Denser, fuller, and more resilient hair.
- ✓ An innovative treatment that reactivates the natural hair growth cycle.
